### Tutoring Services

#### **Partnership**

PICS is always looking for new partnership opportunities. Check out our Tutoring Partnership Opportunity for 2019.

#### **Background**

The Progressive Inter-cultural Community Services Society (herein after referred to as “PICS”) is seeking proposals from firms qualified and experienced in providing tutoring services by degreed professional teachers to accomplish the following: tutoring, on-site educational evaluation and tutoring program management services at PICS’s facility in Surrey.

PICS, at one time, taught five levels of ESL and under the CALP – Community Adult Literacy Program local volunteers are trained to help people learn Basic English. In partnership with parents and our community, PICS's mission is to provide a comprehensive educational experience that is of high quality and inspires all students to make a positive contribution to society.

We are seeking a tutoring services partner with connections to universities, innovative businesses, non-profit organizations and engaged community leaders to prepare school students for college, career and life.

Tutoring sessions will occur from Monday to Fridays in the evenings and on weekends. PICS has 4 fully equipped classrooms, ample parking space and the facility is close to public transportation.

In addition to the Tutoring Partnership opportunity, PICS is also open to leasing out space to Tutoring firms at a reasonable rate.

Please submit your proposal by the deadline below. **Please specify whether you would like to partner or lease in your application.**

**Proposals due date: April 5, 2019 by 2:00 PM**
